More couples than ever are seeking peaceful, lower-conflict divorce options — before they ever contact an attorney.

The Divorce With Dignity Network gives family law attorneys, mediators, and independent legal document professionals (Legal Document Assistants, Legal Document Preparers, and independent paralegals) a complete, proven system to meet that demand — and build a more sustainable practice in the process.

What You Get When You Join

- ✓ **A Complete, Ready-Made Business — Not Just a Listing**
You don't build from scratch. You step into a proven model with a branded identity, client intake system, pricing structure, and operational framework already in place. Everything you need to start serving amicable divorce clients from day one.
- ✓ **Clients Referred Directly to You**
Divorcing couples actively searching for peaceful divorce options find you through dwdignity.com — our consumer-facing website. You receive referrals from people who are already looking for exactly what you offer. For independent legal document professionals, this means a steady stream of clients without the cost or complexity of building your own marketing presence.
- ✓ **Built-In Marketing Support**
You don't have to figure out how to market an amicable divorce service on your own. The network provides marketing infrastructure, materials, and ongoing support — so you can focus on serving clients, not finding them.
- ✓ **Build Real, Recurring Revenue**
Amicable divorce services are lower-conflict, lower-stress, and increasingly in demand. For attorneys, it means growing revenue without adding courtroom hours. For Legal Document Assistants and independent paralegals, it means transforming document preparation work into a fully branded, client-referred business with real earning potential.
- ✓ **Training, Tools & a Professional Community**
You get access to onboarding training, operational tools, and a network of like-minded professionals across the country. You're not doing this alone — you're joining a community of attorneys, mediators, and family law professionals building better practices.
- ✓ **Stand Out in a Changing Market**
Consumers are researching peaceful divorce options online before they ever call an attorney. Firms that offer these services are being found earlier in the decision process. Joining the network positions you where the market is already heading.
